

A Diligent Woman's *Prayer Planner & Journal*

www.thediligentwoman.com

Welcome to A Diligent Woman's Prayer Planner and Journal!

Hopefully these tools will help you to organize your prayer time so that you need not carry guilt anymore. You can track who you pray for, make time for those prayers on your calendar, and visually see your progress through out the year.

You get to choose which pages you use. You are welcome to use them all, but do not feel that you are required to do so. This is meant to be YOUR planner and journal. Use it as it best suits you and your needs.

Suggestions:

Use the Monthly Calendar view to fill each day with someone or something to pray about. If it is a person, the space allows room to make some notes about what to pray for them.

The "Pray for..." lists page is great for jotting down prayer requests to then use on the journal pages.

You can also use these lists to populate your monthly view calendar. Check off the ones you've moved to the calendar so you know you already have a plan for praying them.

Color coding would be a great way to indicate when a prayer has been answered, when you've talked to the person for an update on the situation, or whatever else you feel compelled to track.

Enjoy!
